

Information on the teacher seminar in Carpentras, France

Date: 11.04.-15.04.23

The opening of the seminar is at 18:00!

For organisational reasons, the registration deadline this year is from **02.01. to 31.01.23.**

Accommodation is planned in two hotels in Bédoin (16 km from our school and 16 km from Mont Ventoux). The rooms are mainly doubles, but there are also some triple or quadruple rooms, which are nevertheless comfortable. The maximum number of participants is 60.

Seminar cost from Tuesday evening to Saturday morning is 410€ for members and 430€ for non-members.

A supplement of 180€ is required for a single room. There is a maximum of 5 single rooms.

Arrival:

Participants can arrive directly at the

Provence Ventoux Campus 310 chemin de l'hermitage, 84200 Carpentras Serres

or at Carpentras train station.

If necessary, we can consider shuttles to pick up participants at Avignon TGV station, **but be careful not to arrive at Avignon main station .**

Please try to organise yourselves: There are trains every 1/2 hour between Avignon and Carpentras.

Regarding the programme, in order to avoid too expensive travel, we have decided to stay close to our school.

For those who wish to arrive or depart one day before or after the seminar, we can book the rooms, but the extra nights will have to be paid by the participants on the spot at the hotel.

There may be activities for Tuesday or Saturday morning based on the weather.

For the cycling activity proposed by our teacher Yves Chappoux on Saturday morning, the activity is free for those who can use a classic bike, but for an electric bike there is a cost of 35 € for the participant.

In order to organise the activity we need to know who would like to take part, there are a limited number of classic mountain bikes (15 mountain bikes).

Please note this in the registration form so that the activity can be planned.

With kind regards

Valérie Pauleau

Project Manager
